1.2 Other Research Activities

1.2.1 Research Submissions

A total of 32 new research project proposals were submitted throughout 2017 to various funding bodies, including 12 at H2020, 12 at the Erasmus+ program, 2 at COST, and 2 at Greek research funding bodies. The proposals reflected the research interests and related work of the research tracks and research clusters within the tracks. Most of these proposals received positive evaluations and 3 of them were selected for funding.
1.2.2 Publications

A series of publications by SEERC staff and students were published in 2017. (An extensive list of publications appearing by Research Track is provided at the end of the report in the Appendix).

1.2.3 The SEE View Working Papers Series

The SEE-VIEW Working Papers Series was launched in 2017 with the purpose of disseminating research and policy debate on subjects related to interdisciplinary issues in the Social Sciences and beyond, focusing on the region of South-East Europe. The working papers published in the Series constitute work in progress circulated to stimulate discussion and critical comments. The first 3 papers appeared in 2017:

- Working Paper 1: European Migrant Crisis Symposium: Challenges of a fragmented corridor
- Working Paper 2: The science of success: Investigating an innovative methodology charting the steps to start-up success

2 THE DOCTORAL PROGRAMME

2.1 Viva examinations

Eight PhD candidates have undergone through Viva examination in 2017. The Viva examinations took place at SEERC and Sheffield. The PhD students were awarded with the Degree of Philosophy. Eminent academics were invited to act as external examiners and contribute to a rigorous process by providing insightful remarks for the candidates. The names and affiliations of the examiners of the PhD viva examination that took place in 2017 are provided in the list below:

<table>

2.4 Young Researchers' Skills Development Week 2017

The 2nd Young Researchers’ Skills Development Week took place on 17-19 May 2017 in Thessaloniki. The 2nd YRW hosted several research workshops filling the identified gap in PhD students’ skills enhancement. The 11th Annual Doctoral Conference, where 16 research papers were presented, was organized as part of the 2nd YRW.

2.5 Other Academic Activities

Throughout 2017 SEERC continued the organization of research seminars in the frame of Open Seminar Series and Research Student Seminars. (For a full list of the SEERC seminars, see Appendix).

NETWORKING & DISSEMINATION

2.6 Events Organised by SEERC

February 21, 2017: SEERC as a supporting partner to the AgriEntrepreneurship team hosted their workshop on “Agri-Accelerator & Promotion of Entrepreneurialism in the Agricultural sector”

June 26-30, 2017: SEERC co-organised along with the International Faculty of the University of Sheffield CITY College, and the iStart Thessaloniki Academy a student workshop on the topic:

June 30 - July 8, 2017: SEERC hosted in Thessaloniki a one-week summer school focused on Migration. The Summer School was jointly organised by the University of Sheffield Politics Department and by the University’s International Faculty CITY College and took place between June 30th and July 8th at the main campus of the International Faculty.
August 31 – September 1, 2017: SEERC together with the University of Sheffield International Faculty, CITY College hosted the 10th International Conference for Entrepreneurship, Innovation, and Regional Development (ICEIRD-2017) on 31st August – 1st September 2017 in Thessaloniki.

September 14, 2017: The MIGRATE Jean Monnet Network had its second open event in Berlin on September 14th, 2017. SEERC, as the lead coordinator of the project was represented by Mr Nikos Zaharis, Director of SEERC, who opened the event, Dr Alexandra Prodromidou, the MIGRATE Academic Coordinator and Lecturer at our Business Administration & Economics Department (BAED) and Dr Pavlos Gkasis, the Director for Research of BAED and MIGRATE Research Associate. Both presented on their research findings. The event was organised by the Konrad Adenauer Stiftung and took place at the Konrad-Adenauer-Stiftung, Akademie, Berlin.

October 3-6, 2017: At the DSCIM in Novi Sad, Serbia, SEERC together with the MAIN Tempus project, doctoral students, researchers, policymakers interacted and learned from a group of experts. They had the opportunity to meet dozens of young and experienced researchers, with the right milieu to test their research plan, to promote their research results, or to share their experience in managing innovation.

3 SEERC INTERNAL NEWS

3.1 New Staff @ SEERC

Dr George Eleftherakis, is the new Doctoral Program Academic Director. Dr Eleftherakis is a Reader (Associate Professor) in Computer Science at the University of Sheffield. He received the Senate Award for Sustained Excellence in Learning and Teaching from the University of Sheffield in May 2014. He is a senior member of the Association for Computing Machinery (ACM) since 2012 and the Chair of ACM’s Council of European Chapter Leaders since 2013. He is a member of the administration board of the Greek Computer Society since 2002. Since 2009 he is a member of the Faculty’s Research Committee.

Ms Zoi Xygalata, acting executive secretary & Doctoral Programme Administrator. Ms Xygalata holds a BSc in Economics. Her role within SEERC includes every day management of the office, secretarial support to the SEERC Director, administrative support to the Doctoral programme and to the core team. She is the point of contact for booking the audiovisual and conference facilities at SEERC.
Ms Elina Ketikidi, is a full time research associate working on “E-PROTECT”, a program funded by the European Commission regarding the enhancement of protection of child victims of crime. She holds a Master’s Degree in Digital Marketing and Social Media with Merit from University of Sheffield. She obtained her BA degree in School of Economics and Regional Studies in the University of Macedonia and currently she is a PhD student under the Doctoral Scholarship Scheme of SEERC and the University of Sheffield. She worked as a Digital Account Executive in MullenLowe Athens Advertising Agency. Previously she had been a freelancer Social Media and Communication Coordinator. In 2013, her team won the Sprint Award in European Entrepreneurship Summer School.

Ms Faye Ververidou, is a full time research associate working on “E-PROTECT”, a program funded by the European Commission regarding the enhancement of protection of child victims of crime. She holds a Master’s Degree in International Studies with Distinction from Aristotle University of Thessaloniki, Greece (Faculty of Law). She obtained her BA Degree in Law from the Democritus University of Thrace, Greece. She completed her training as an intern in Thessaloniki Court of First Instance and successfully passed, in 2015, the Bar Association Exam. Immediately after that, she started working as a lawyer, mainly in the fields of civil and corporate law. Currently she is a PhD student under the Doctoral Scholarship Scheme of SEERC and the University of Sheffield.
4 Appendix:

4.1 Publications

PLEASE NOTE that these lists might be incomplete since the publications database is continuously updated. For a last update please follow the link below:

4.2 Open Seminar Series

April 4, 2017: “Global Multilateralism Post - Trump & Brexit” delivered by Dr Matthew Bishop, Department of Politics, The University of Sheffield.

May 16, 2017: “The Emergence and Development of Executive Functions in Early Childhood” delivered by Dr Emma Blakey, Department of Psychology, The University of Sheffield.

November 24, 2017: “Speech localisation in a multtalker mixture by humans and machines” delivered by Prof Guy Brown, Department of Computer Science, The University of Sheffield.

4.3 Research Student Seminars

January 19, 2017: “Gender and Social Media Impact on brand loyalty towards luxury brands: a cross-cultural study” delivered by PhD student Ms Zlatina Gubatova

January 25, 2017: “Cognitive Neuroscience of Emotions in Older Adults: Theory of Mind and Self Conscious Emotions” delivered by PhD student Mr Ioannis Gavrilidis

June 29, 2017: “A Proposed Framework for University - Industry Interactions: The case of South - East European Countries” delivered by PhD student Mr Besart Hajrizi

November 23, 2017: “Emergent Distributed Systems for Computational Auditory Scene Analysis” delivered by PhD student Mr Dimitris Pappas
South-East European Research Centre
