

CALL FOR PAPERS
7th Annual South East European Doctoral Student Conference
Monday 24th & Tuesday 25th September 2012
Thessaloniki - Greece
<http://www.seerc.org/dsc2012/>

Building on the success of the six previous Doctoral conferences which each attracted over 100 papers from countries all over the SE European region and beyond, we are pleased to be launching the **Call for Papers** for the **7th Annual South East European Doctoral Student Conference**. The aim of the conference is to further facilitate the exchange of knowledge between young researchers and to consolidate the established network of scholars currently undertaking research in South East Europe. Doctoral students or young researchers in the areas of **Business Administration, Economics, Finance, Management, Marketing, Information & Communication Technologies, Psychology, Politics, Sociology as well as Education** are invited to attend and present papers related to their doctoral research.

The conference will comprise of:

1. Paper sessions
2. Special workshops/training sessions delivered by distinguished academics
3. Panel discussions
4. Social events

By participating in the 7th SEE Doctoral Student Conference you are given the opportunity to:

- Present your work in a friendly environment and receive valuable feedback from experts in your field
- Further develop your academic and research skills
- Strengthen your network with other PhD students as well as with distinguished academics and professionals in your area
- Apply for the 'Best Papers' Award
- Publish your work in the Conference Proceedings
- Publish your work in respectable Academic Journals (selected papers only)

All papers are peer reviewed and authors of submitted papers can have access to the evaluations and possible feedback provided by the reviewers.

Depending on the stage of your research, you can submit either a short paper (3-5 pages) or a full paper (8-15 pages). For more information including author guidelines please visit the following links (depending on the research area your paper is addressed to):
